§ § §

Dear Sir:

Please amend the application as set forth below:

IN THE CLAIMS:

Cancel claim 10, without prejudice.

Amend the following claims:

50B CT1

(Amended) A method, comprising:

receiving data to be stored in a database system having plural data servers;

receiving information associated with at least one characteristic of the

4 data;

3

5 partitioning the data for storage in the database system based on the

6 characteristic associated with the data; and

storing the partitioned data in storage units associated with the plural data

8 servers; and

9 in response to a database query, selecting less than all the plural data

servers based on the partitioning of the data to reduce a number of data servers involved

in processing the database query.
